WHO WE ARE

Helping Hands of Peel is a student run non-profit organisation which aims to create a better future for the region of peel. We organise charitable events and activities for the citizens in the community. We spread awareness and provide a helping hand to help current social, economical and environmental issues.

Our mission is to help those in need, inspire and connect people around Peel, and to raise awareness towards issues that are often ignored. We aim to transform youth-led change in Peel.

PREVIOUS WORK

Annually, Helping Hands of Peel organizes a food drive. Previous food drives have been massive successes, accumulating over 2,000lbs of food. Last year, HOP organised a women's drive, donating over {blank amount} of women's products to those in need. Furthermore,

FUTURE PLANS

In the future, we aim to expand our reach from Peel to help people nationally, and internationally. In the future, we plan to hold initiatives such as bake sales, item drives and fundraisers. Additionally, with the creation of our new website and blog, we will be able to reach a much wider audience and be able to provide help to more communities!
